

# Habitat Forming

Wild life and civilized life, in all its forms is blooming out here. Among a golf course and trails, parks and schools, a new place is taking shape called Montecito. And if you haven't lived with a 19,000-acre preserve out your back door,

Newland Communities is a privately owned company that creates residential and urban mixed-use communities from coast to coast. With expertise in creating a special sense of community, we bring to life the unique history, culture and traditions of the land we develop. We believe it is our responsibility to create enduring, healthier communities so people may live life in ways that matter most to them. Newland currently has nearly 40 communities underway in 14 states. [www.newlandcommunities.com](http://www.newlandcommunities.com)
