# The Connected Home

A better way to connect to the things that are important to you.

From flat screens to touch screens, you're never far from your technology. XFINITY® helps make sure the things you love are just as close. Like your favorite TV show or movie. Your parents or your children. Even the place you call home. XFINITY makes it easier to connect to them wherever, whenever — using the technology that's always by your side.

**Connect at home** to your favorite shows faster and easier with the revolutionary X1 Entertainment Operating System.® *See page 4.*

**Connect to protect your home** with XFINITY Home, a total home security and automation solution that lets you keep tabs on your home, even when you're not there. *See page 10.*

**Connect away from home too** — watch shows and movies anywhere you want. Stay connected at millions of XFINITY WiFi hotspots. Even stream live video to loved ones at home. *See page 6.*

**Connect to loved ones** more conveniently than ever with enhanced home phone features, mobile apps and more. Plus, now get international calling to over 80 countries at no additional cost with XFINITY Voice. *See page 12.*

# Here's your all-access pass to your entertainment.

Find your favorites in a flash. Or let your X1 suggest new ones. Then watch them wherever, whenever. The **X1 Entertainment Operating System**® puts you in touch with your entertainment in ways you've never experienced before.

## Loads of shows. Preloaded.

Never miss a moment of the Top 100 shows like *The Voice* or *Scream Queens*. The latest episodes are preloaded and ready to watch on the only schedule that matters: yours.

## It finds your shows so fast, you'll think it's psychic.

Search live TV, XFINITY On Demand™ and your X1 DVR™ at the same time. It recommends new shows based on what you've watched before.

## Six favorite shows on at the same time? We've got this.

**X1 DVR service** lets you record and watch up to six shows at once, so you never have to miss your favorites. You can even store hundreds of HD shows and movies without running out of space.

## Say it. See it. That's Voice Control.

The new **X1 voice remote** lets you change channels, search for networks and shows, get recommendations and more — all with your voice.

## App-iness is...

Enjoying popular apps right on your TV — such as Sports, Weather, XFINITY® Home & Pandora.

# Now any room is the living room.

## Take your favorites anywhere you go.

The **XFINITY TV app** lets you stream TV and On Demand shows in your kitchen, family room or any room on your computer or smart device. Plus, the cloud-based X1 DVR lets you take DVR recordings and watch them anywhere, even without an Internet connection.

**On the go?** With the XFINITY TV app, you can also stream 90 of your favorite networks live on your mobile devices.

XFINITY TV app

Property Brothers available at xfinity.com/tv and on the XFINITY TV app.

## 3 tablets. 4 smartphones. 2 laptops. Zero frustration.

Now everyone can get online at the same time — without things slowing to a crawl. So whether you're streaming TV shows, downloading music or uploading photos, **XFINITY® Internet** delivers enough speed for all the people and devices in your home.

To take your XFINITY Internet on the go, see page 7.

### 3 Great Ways

to enjoy your shows on the go.

Watch your recordings on a rainy day while camping.

Catch last night's game while flying to a business meeting.

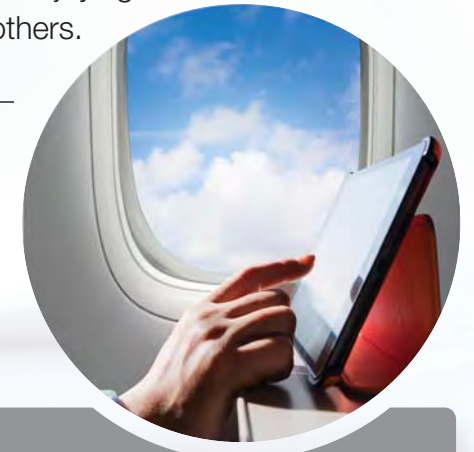

Keep your kids entertained in the car to Grandma's house.

# Nobody connects you on the go like XFINITY®.

When it comes to streaming, accessing WiFi hotspots and enjoying your entertainment anywhere, XFINITY® is better than all others.

Record in your living room. Watch at 35,000 feet.

The cloud-based **X1 DVR™** lets you take DVR recordings and watch them anywhere, even without an Internet connection.

The XFINITY TV app makes it possible!

- 1 Record your shows on your X1 DVR.
- 2 Download them to your mobile device.
- 3 Enjoy them anywhere, even up in the clouds.

XFINITY TV app

Access millions of WiFi hotspots — only from XFINITY.

# Our newest technologies help keep everyone connected.

Comcast constantly develops new technologies that help everyone enjoy a better entertainment experience. That's why X1 has **innovative accessibility features** built right in for customers with visual, hearing or other disabilities.

## "Now playing *Modern Family*." Let X1 guide the way.

The **first talking guide** that "speaks" what's on screen, provides program descriptions and more. Plus, **video description** lets you hear narration of key visuals in a program.

## "Find me *River Monsters*." Say it and you'll see it.

The **X1 voice remote** lets you search for shows, change channels and enable closed captioning with voice commands. Plus, it has a backlit keypad so it's easier to see.

## "Here's looking at you, kid." Don't miss a word.

X1 has **enhanced closed captioning** built right in, so you can read what you can't hear. Captions can even be customized by size, color or more for your best readability.

## How can XFINITY serve you better? Let us count the ways.

- 1 We promise a two-hour appointment window. If we're late, you'll get a \$20 account credit.
- 2 Our specialists are available 24/7 via phone or live chat.
