

**BAD
INTERNET
IS BAD
FOR
BUSINESS**

Internet down again? When speeds can't keep up, all that lost productivity can cost your business over \$940 per employee, per year. And that's no laughing matter.

**BAD
INTERNET
IS BAD
FOR
BUSINESS**

Slow credit card approvals causing delays? It's probably your slow Internet. And those few extra seconds can turn a patient customer, into a frustrated one.

A man with curly hair and a beard is looking intently at a laptop screen. The scene is set in a bright office with a window in the background. The text is overlaid on the right side of the image.

BAD INTERNET IS BAD FOR BUSINESS

“No it hasn’t come through yet.” We’ve all heard that.
But when slow Internet means your emails are delayed,
it’s your client who’s left waiting.
