123 Any Street
Anytown, US 12345-6789

Protect your family
with home security
that's tougher on
bad guys.
(And easier on your wallet.)

Top-ranked by
U.S. News & World Report

► 20% Off + Get a FREE Indoor Camera*

No Contracts Required | 100% Risk-Free Trial

Safer than other systems.

(Because that's what matters most.)

Our #1 goal is keeping you and your family safe. So we take extra steps to make our systems tougher on bad guys, bad weather and bad luck.

24/7 monitoring with faster response times

Advanced LTE technology gets help to your door 120x faster.

Whole-home protection

From burglars to fires to water leaks, we're always on alert.

No power? No problem

Battery backup keeps you safe, even if the power goes out.

Crash and smash technology

Ensures that the system works, even if a bad guy smashes it.

Frontpoint App: Control your system and get security alerts.

Safer than other systems.

(Because that's what matters most.)

Our #1 goal is keeping you and your family safe. So we take extra steps to make our systems tougher on bad guys, bad weather and bad luck.

24/7 monitoring with faster response times

Advanced LTE technology gets help to your door 120x faster.

Whole-home protection

From burglars to fires to water leaks, we're always on alert.

No power? No problem

Battery backup keeps you safe, even if the power goes out.

Crash and smash technology

Ensures that the system works, even if a bad guy smashes it.

Frontpoint App: Control your system and get security alerts.

Smarter technology that thinks of everything.

(So you don't have to.)

Home security doesn't have to be complicated. You can easily personalize Frontpoint to fit both your home and your life.

Pets vs. intruders

Intelligent motion sensors know the difference to avoid false alarms.

Voice control with Alexa

Set the alarm, unlock the doors — even turn on the lights.

Custom alerts

Know when the kids get home from school or the front door is left open.

See how Frontpoint is the best choice for your home and family.

“...great security systems and monitoring at a reasonable price with excellent customer service.”

—Teresa R.
