A large, solid orange circle is positioned on the left side of the slide. The text 'New section' is centered within this circle in a white, sans-serif font. The background of the slide is white with a light gray dotted pattern that covers the middle section.

New section

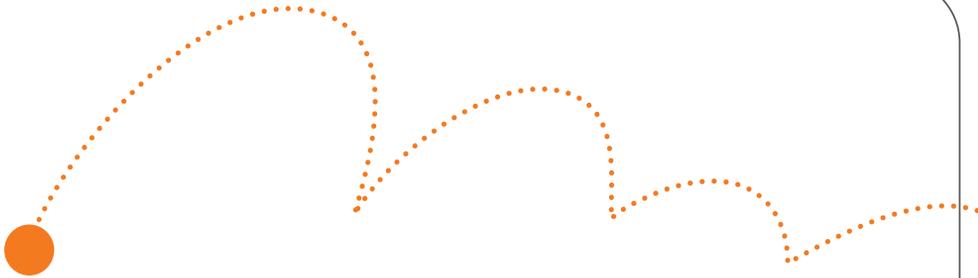

Theory of change

IF organizations and networks see financial health, resilience and strength as integral to their purpose and strategy and embed this in their organizational cultures, structures and practices then their efforts lead to greater diversification, more flexible, long-term funding, and the creation of capital reserves, so that they are more likely to thrive in volatile environments and ultimately generate greater, **mission-aligned impact.**
