Bath Safety Bar

Item # AA3026

Contrary to popular belief, the bathroom isn't the number one location for household accidents but it is the slipperiest

Fortunately, the problem is easily solved with the Bath Safety Bar from Active and Able. With the turn of one bolt, the Bath Safety Bar attaches securely to the side of almost any bathtub, providing a steady handhold in and out of the tub.

Features & Specifications

- Easily attaches or removed with one bolt
- Padded surfaces on bar brackets protect bathtub finish
- Finished in white enamel to fit in with any decor
