High IQ Preference Survey

If you get into a car accident, the last thing you want to worry about is dealing with a claim. When you enroll or renew your policy, take a brief **High IQ Preference Survey** ahead of time. This will allow us to tailor our claims service to fit your lifestyle and ensure things go as smoothly as possible. For example, tell us what kind of rental car you want, how you'd prefer to receive your reimbursement check, and much more—all before a claim occurs.

Short-Term Home Rental Endorsement

Renting rooms in your vacation home or primary residence on a short-term basis is a great way to make extra money, but it also comes with risks. Our **Short-Term Rental Endorsement** provides protection in case something goes wrong during a guest's stay, giving you peace of mind that you will be covered. As an addition to your current homeowner's policy, this protection would cover property damage, liability, and any loss of income if you can't rent the property due to a covered event.

Agent Group Benefit

There's no better motivator as a salesperson than to truly believe in what you're selling, whether it's apples or insurance. In fact, as an independent agent, now you can enjoy the same benefits and upgrades on your insurance policies as your customers. If you take advantage of our agent group benefit, you get access to discounts, top-tier products, and upgrades. Better still, your firsthand knowledge of our offerings will allow you to do a better job explaining them to your customers.
