**TAKE
A LOOK**

While it seems like life has been in a holding pattern for months — a lot of exciting things have been happening at Twin Lakes.

We recently added a **Memory Support Assisted Living** neighborhood to our community to provide seniors with memory loss a safe, comfortable place to live, dine and connect. With that expansion came the addition of many new amenities — one of which is a brand new home for our fitness center **The Connection**.

We have many more exciting additions but we don't want to give away all of our secrets. Twin Lakes Director of Marketing **Melissa Slay** will share with you an exclusive sneak peek of all that has been going on around campus in the past year.
